Live by what you know is true ...

A person can make you feel high,
A person can make you feel low.
But only you can decide which way you want to go.

A person can hurt you mentally,
A person can hurt you physically.
But only you can place a limit on your abilities.

A person can cause you drama,
A person can cause a situation.
But only you can create your own reputation.

A person can make you laugh,
A person can make you cry.
But only you can make decisions for your life.

I guess what I'm trying to say,
That when you're living day to day.
Don't live by what people do but live by what you know is true.
